

US - Standard Format, 1 Column

This Product Label Report (PLR) is Preliminary because the specification used to generate this document is still under development, i.e., in one of the DEVELOPMENT or SUBMIT status types (see below for details). Use this document for preliminary label art development only. A final PLR document will be available when the specification has been moved to one of the APPROVED or CURRENT status types. Final label art shall not be completed and approved until a PLR document based on an APPROVED or CURRENT specification is available.
